

The Electrochemical Division of the Italian Chemical Society awards 4 travel grants for the INTERNATIONAL SPRING SCHOOL OF ELECTROCHEMISTRY - Smart Materials for and from Electrochemistry

The Electrochemical Division of the Italian Chemical Society and the Royal Society of Chemistry – Italy Local Section donate **4 scholarships** to encourage the participation of young scientists to the **INTERNATIONAL SPRING SCHOOL OF ELECTROCHEMISTRY (ISSE) - Smart Materials for and from Electrochemistry**, Castellammare del Golfo (Trapani - Italy), 19-23 May 2019. The value of each award is € 300.

Applicants must be less than 35 years old at the date of the School start (19 May 2019). One of the scholarships is sponsored by the Royal Society of Chemistry – Italy Local Section and it is reserved to a member of the Royal Society of Chemistry, with priority to Italian members, in good standing for 2019.

Applicants must register at the ISSE School and pay the registration fee *no later than the early-bird deadline (31 March 2019)*. The grants will be paid off by bank transfer directly to Awardees during the School.

Applicants should apply on their own behalf; **all documents must be sent to the Secretary of the Electrochemical Division of the SCI (elettrochimica@soc.chim.it) no later than 30 April 2019**. The successful receipt of all documents will be notified directly to Applicants by a confirmatory e-mail.

The application must include the following items:

- Application form (signed and saved in pdf format, as “SURNAME_NAME.pdf”);
- Curriculum vitae (saved in pdf format, as “SURNAME_NAME_CV.pdf”);
- An identity document (identity card, driving license or passport, scanned in PDF);
- PDF file of the email from the ISSE Organizing Committee confirming the successful registration at the ISSE School.

all documents can be downloaded from the webpage
https://www.soc.chim.it/it/divisioni/elettrochimica/premi_medaglie

Applications that do not fulfill the above mentioned rules will not be considered. Evaluation of the applications will be carried out by the Board of the Electrochemical Division of the Italian Chemical Society. Awardees who fail to attend the ISSE School lose their right to the award. Award winners will be informed by email before **15 May 2019**.
