

10° EurAsian Meeting on Heterocyclic Chemistry (EAMHC-2019)

Il **10° EurAsian Meeting on Heterocyclic Chemistry (EAMHC-2019)** si terrà presso la Conference Hall dell' "Embassy & Boston Hotel" in **Milano Marittima-Cervia** (Ravenna), **dal 15 al 19 settembre 2019**.

The 10th Eurasian Meeting on Heterocyclic Chemistry will continue the consolidated tradition of the prior EAMHCs, offering a scientific program dealing with the latest developments in new methods in heterocyclic chemistry, biologically active heterocycles (both pharmaceuticals and agrochemicals) heterocyclic natural products and analogues, and heterocycles in synthesis presented by leading international experts.

The meeting will create an environment for in-depth, informed discussions highlighting the importance of heterocyclic chemistry in the industry and academia.

Distinguished scientists from all over Europe and Asia have so far accepted invitation (<http://www.sciliguria.it/EAMHC2019/programma.htm> [1]).

Deadlines:

- **15.06.2019** - Early Bird Registrazione on-line
- **31.08.2019** - Registrazione on-line
- **30.06.2019** - Invio degli Abstract

Sul sito (<http://www.sciliguria.it/EAMHC2019/index.htm> [2]) potrete trovare tutti i dettagli e ulteriori informazioni sull'evento.
